

# Training Master International Limited

**Training Master International Limited (TMIL)** established in 1997 by a team of committed professional and management trainers who recognized the need to develop creative training programs to meet the ever-changing corporate demands of large corporations and multinational firms.

We subsequently developed various innovative training programs to meet the modern corporate challenges for over 14 years. Training Master International Limited has also built a strong reputation as offering highly adaptable and all-inclusive modules, emphasizing on staff members as a company's most valuable resource.

## Vision

- Foster the development of Experiential Training in Hong Kong and the Greater China Region
- Introduce state-of-the-art training products and services to clients
- Uplift participants' quality to meet challenges ahead

## Mission

We are dedicated to be the best provider of innovative training resources and strategies for corporations and organizations

# Success Comes With Experience

# Strength & Achievements

Over 14 years experience in Hong Kong providing experiential based training

Conducted qualitative training programs for more than 100 multinational firms worldwide.

Recognized as one of the market leaders in innovative experiential based training

Hold the HKMA Most Innovative Training Program Award

Founding member of Hong Kong Institute of Adventure Counseling, and also the sole sponsor of the first Hong Kong Adventure-Based Counseling Conference.

All TMIL programs are following Association for Experiential Education (AEE, US)'s safety standards and a 100% safety record

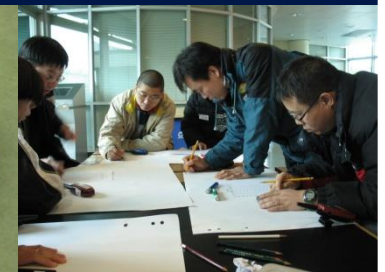

Tailor-made programs rather than standard programs

First company using experiential based training approach to improve customer service leading to an annually HK\$4.8 million expense saving for the clients.

Most of our business came from referrals. This proves that we have strong reputation and we deliver good quality services to customers.

We have awarded as the service provider for the CUHK EMBA program, as part of the Team Building and Leadership module since 2000.

First EBT consultant rewarding the “**Caring Company**” logo in 2005, and recently rewarded the “**5+ Caring Company**”, demonstrating our continuous active involvement in social service.
